Letter from the Deputy Commissioner, Tumkur District, No 367 dated 16th October 1895. proposing the inclusion of the Kuripalya village within the limits of the Tumkur Municipality as shewn in the attached map Submitted with ~~his No 367 dated 16th October 1895 by the Dy Comr~~

Order thereon:

The village of Kuripalya contains 95 houses and the villagers own a large number of carts which ply within the municipality and wear out its roads and yet cannot be assessed to the cart tax on the ground that they are owned by agriculturists and are stationed outside municipal

limits above It is more important
to observe that the continuity
of the village with the present
municipal limits of Tumkur
and the number of important
roads converging upon Tumkur
through it, afford facilities to
bidders for smuggling and
over-reaching the Octroi officials
with the result that the Octroi
Revenue of the Municipality
suffers seriously thereby from -
under these circumstances
the Government are pleased
in accordance with the unani-
mous resolution of the Tumkur
Municipal Board to sanction
the inclusion of the inhabited
portion of the village of
~~to~~ Kuripalya as shewn
in the map forwarded by
the Deputy Comr. within the
"

limits of the Tumkur Municipality.

3

The Deputy Commissioner is requested to furnish at his early convenience a description of the boundaries of the Tumkur Municipality as now ~~added~~ modified to be ~~for being~~ as embodied in a Notification to be published in the official Gazette.

Office of the President
of the Municipalities
in the Tiptur District.
Dated 16th October 1895.

To

The General Secretary
to the Government of Mysore.

Sir,

I have the honor to state that Kuripalya, a hamlet consisting of 95 houses with a population of 307, which is situated within a few hundred yards of the Executive Engineer's Office at Tiptur has not been brought within Municipal limits. Persons residing in the said Palya own carts which ply for hire within the town of Tiptur but these carts are not subjected to cart tax. Again, the close proximity of the Palya in question gives room to the evasion of the payment of Octroi duty on piece goods.

27

Under such circumstances, the Tuinkin town Municipal Board resolved at their meeting held on the 17th September 1895 that Municipalya be included within the limits of the Tuinkin town Municipality. Extract from para 3 of the Proceedings of that Meeting is herewith submitted, together with a tracing shewing the present Municipal limits of Tuinkin as well as the Palya proposed to be included within the same. It will be seen that in the interests of the Municipal revenue of the town, it is advisable to bring the said Palya within Municipal limits and. I have the honor to request that sanction may be accorded to the

measure —

I have the honour to be

Your most obedient servant.

3. With regard to the proposal of the Vice President to include Kurnipalya within the limits of the Trimulgherry Town Municipality the Board observe that the Kalya consisting of 95 houses with a population of 307 is situated within a few hundred yards of the Executive Engineer's Office and Stores and that persons residing there own carts which ply for hire within the Town of Trimulgherry. The exclusion of the Kalya is an anomaly which it is not too soon to rectify. The

Board therefore unanimously resolved to include the Valya within Municipal limits - The Board in this connection observe that the Municipal boundaries of the Town have not been notified and in view to framing a correct statement of the boundaries, request that a sub committee consisting of Messrs Dalal, Veerkamalakeen Alikhan, Ramaswamiah, Ramadasappa, Venkatachar and Syed Dawood-Sahebs be formed for the purpose of drawing up a correct statement of the Municipal boundaries of the town including Kuri-Pullya -
